Defendant.    )

**ORDER**

Having reviewed the evidence from the suppression hearing and the report and recommendation by Magistrate Judge Maughmer (Doc. 29), to which no objections have been filed, I adopt the report and recommendation and deny the motion to suppress (Doc. 17). SO ORDERED.

The issues of custody during the first interview and the Miranda warning during the second interview, as well as defendant's awareness of the Miranda issues despite medication, have all been adequately considered in the report, which I conclude is correct.
